## MANUU's Foundation Day lecture

Eminent Scientist and Shanti Swarup Bhatnagar awardee, Dr. Shahid Jameel, CEO, Wellcome Trust/DBT India Alliance, New Delhi delivered a lecture "What is a University?" to mark the 22nd Foundation Day celebrations of Maulana Azad National Urdu University on January 9, 2020.

Dr. Shahid said that Universities are not only the citadel of learning and enrichment but they are also places of free discussions and debates. They represent a particular way of thinking which needed to be preserved. Institutions need autonomy, leadership and funds to grow at international level.

Taking a critical view of the contemporary education system which neither supports innovation nor encourage civic sense, he stressed the need to equip the students with problem solving aptitude. He pointed out that Education is both private and public good. It prepares pragmatic citizens. Speaking about funding, he said that Universities facing shortage of funds should look for external resources like CSR support.

## وائس چانسلر کے قلم سے — زندگی، ہر دم حرکت کا نام ہے!

ڈاکٹر محمد اسلم پرویز

پہچان بنائے گی۔

یونیورسٹی نے حالیہ عرصے میں ایسے کئی اقدام کیے جو مثالی نوعیت کے ہیں اور جن کی بڑے پیمانے پر پذیرائی بھی ہو رہی ہے۔ اپنے طلبہ کو مسابقتی تقاضوں سے ہم آہنگ کرنے کے لیے ہمیں حسن کارکردگی کے اعلیٰ ترین معیارات کی تکمیل کرنی ہوگی۔ تحقیق اور اختراع جامعات کی پہچان ہوتے ہیں، ہمیں عالمی معیار کے محققین تیار کرنے کی ضرورت ہے جو اردو یونیورسٹی کی شناخت بن سکیں۔

اردو ذریعہ تعلیم کے چیلنجوں سے ہم بخوبی واقف ہیں۔ ایک طرف ہمیں فصلاتی نظام کے ذریعہ تارکین تعلیم کی دستگیری کرنی ہے تو دوسری طرف روایتی تعلیم کے نظم کو عصری تقاضوں سے ہم آہنگ کرنا ہوگا۔

انفرادی طور پر کامیاب زندگی کے گرا اکثر اجتماعی زندگی میں بھی کامیابی کی کلید ثابت ہوتے ہیں۔ ہاں یہ ضرور ہے کہ آپ سب کو خوش نہیں کر سکتے، لیکن زیادہ اہم بات تو یہ ہے کہ اجتماعی زندگی میں ہم اپنے مشترکہ مقصد کے حصول میں کس حد تک کامیاب ہوتے ہیں؟ ادارہ سے وابستہ اہم فریقوں کی رائے کے علاوہ اطمینان قلب کی کیفیت ہمیں اپنے سفر کی کامیابی کا پتہ دیتی ہے۔

ضروری ہے کہ ہم اپنی جامعہ کی ترقی اور طلبہ کے بہتر مستقبل کی خاطر اپنی صلاحیتوں کا بھرپور استعمال کریں تاکہ آنے والی نسلیں ہمیں فخر و انبساط کے ساتھ یاد کریں اور ہم اپنے مفوضہ فرائض کی ادائیگی کے معاملے میں کسی بھی جوابدہی میں سرخرو ہو سکیں۔

جس طرح پہاڑ کی چوٹی سے پھوٹنے والے جھرنے اپنے راستے میں آنے والی رکاوٹوں کی پرواہ کیے بغیر ہر صورت میں ندی کے دھارے میں شامل ہو جاتے ہیں، ہمیں بھی حالات کی دشواری کے باوجود اپنے مقصد کے حصول کے لیے مسلسل آگے بڑھنا ہوگا۔ اس کے لیے لازم ہے کہ جامعہ سے وابستہ ہر فرد محنت، دیانتداری اور مکمل انہماک سے اپنے فرائض اور ذمہ داریوں کی ادائیگی کرتا رہے۔

تو اسے پیاناہ امر و زو فردا سے نہ ناپ  
جاواں، پیہم دواں، ہر دم جواں ہے زندگی

ابتدائے آفرینش سے قدرت نے زندگی جیسے انمول عطیے کو حرکت اور حرارت سے جوڑتے ہوئے ان عناصر کے انمول ہونے کا اشارہ دیا ہے۔ اس لیے جمود کو زندہ اجسام کی موت سے تعبیر کیا جاتا ہے۔ حرکت میں نمو ہے اور انجماد میں انحطاط۔

انسان چونکہ اشرف المخلوقات ہے، زمان و مکان کا شعور اسے ودیعت کیا گیا ہے۔ اپنی مرضی کے مطابق حالات کو ڈھاننا اور زندگی کی محدود مہلت سے بہترین طور پر استفادہ، ایک کامیاب انسان کی پہچان ہے۔ تاریخ گواہ ہے کہ حالات کو وہی لوگ بدل سکتے ہیں جو اپنے عزم میں اٹل اور مستقبل شناسی میں اچوک ہوتے ہیں۔ ایسے لوگ حالات سے خود کو ہم آہنگ کرنے اور اپنی خامیوں کی اصلاح کے ہنر سے بخوبی واقف ہوتے ہیں۔ عزم صمیم اور فہم و فراست کا یہی امتزاج ناگفتہ بہ حالات میں بھی انہیں آگے بڑھنے اور اپنی منزل مقصود تک پہنچنے میں مدد دیتا ہے۔

مولانا آزاد نیشنل اردو یونیورسٹی سے بحیثیت خادم اول میری وابستگی کو زائد از چار سال کا عرصہ گزر چکا ہے۔ اس منفرد جامعہ کے لیے میں نے جن منصوبوں کو رو بہ عمل لانے کی کوشش کی اور اس کام میں رفقاء عزیز کی شبانہ روز محنت کا جو ثمرہ سامنے آیا ہے، اسے جامعہ کے مختلف متعلقین کے سامنے پیش کرنے کے لیے اکتوبر 2019 میں "ہماری پیش رفت" کے زیر عنوان ایک کارکردگی رپورٹ کی اشاعت عمل میں آئی۔

مجھے یہ کہتے ہوئے مسرت و اطمینان کا احساس ہے کہ اردو یونیورسٹی سے وابستہ مختلف فریقوں نے اس پیش رفت کو پسندیدگی کی نظروں سے دیکھا ہے۔ بحیثیت خادم اول اپنی کارکردگی کے آخری ایام میں میرے لیے یہ رد عمل کافی حوصلہ افزاء ہے۔

مجھے یقین ہے کہ اردو اعلیٰ تعلیم کی یہ منفرد دانش گاہ آنے والے برسوں میں تحقیق، تدریس اور اختراع کے شعبوں میں قومی اور بین الاقوامی سطح پر اپنی

## From Vice-Chancellor's Desk

Life, the most precious gift of God, has been associated with action and movement from its the very beginning. Stagnation on the other hand is regarded as synonymous with death. Thus, growth lies in marching ahead and immobility leads to deterioration.

Humans have inherited a consciousness about time and space. Optimum utilization of the limited life span clubbed with the art of turning the tide in ones favour is the hallmark of a successful person. History is witness to people with impeccable will-power and farsightedness, who have changed the flow of events. These people also have the ability to adapt according to the situation and are flexible in correcting their own mistakes. A perfect blend of strong will-power and sanity helps them to move ahead and attain their desired goal against all odds.

I have completed more than four years of my tenure as the first servant of Maulana Azad National Urdu University. A report of University's activities and achievements under the title "Marching Ahead" was brought out in October 2019. It was an effort to put forward our collective vision and action before different stakeholders of the University.

I feel immense satisfaction while sharing the fact that all the stakeholders have, by and large, appreciated our progress. In my capacity as the first servant of MANUU, this feedback, which comes during the final phase of my tenure, is quiet encouraging.

I am sure that in the years to come this citadel of knowledge in Urdu will make a mark in the spheres of teaching, research and innovation at national and international levels.

MANUU has recently initiated various good

practices, which are widely appreciated. To equip our students with the competitive skills we need to meet the highest levels of academic excellence. As we are well aware that academic institutions are identified with their quality of research and innovation, we need to prepare world class research scholars to establish our identity.

We are all well aware about the challenges of providing higher education in Urdu medium. On the one hand, the university through its distance mode programmes is

providing higher education opportunities to those who for various reasons cannot get a regular education; while on the through hand, it is trying to to streamline its regular education system in line with the emerging demands.

The secrets of a successful individual life often prove to be game changers at collective level too. No denying the fact that we cannot appease every one. However, the concern to attain our collective goal is far more important. The feedback from various stakeholders and our inner satisfaction are enough indicators to show our progress.

We need to put all our efforts to ensure the University's all-round development, and a bright future for our students, so that the coming generations could remember us with a sense of pride and gratitude. Moreover, we shall come through with flying colours in any accountability with regard to performing our assigned duties.

As the stream flowing down from a mountain runs into the river overcoming each and every impediment, we also need to move ahead tirelessly against all the adversities to achieve our target. It is obligatory to perform our duties with utmost hardwork, honesty and complete focus.

# Departmental Activities

## Department of Persian

### International Summer School in Collaboration With German University

Dr. Qaiser Ahmad  
Assistant Professor  
(Rapporteur)

The Department of Persian in collaboration with the Centre for Iranian Studies, Gottingen University, Germany conducted the first International Summer School on "Reading and Analyzing the Persian Records" from August 19 to 30, 2019.

Scholars from University of California, Berkeley, L'Orientale University of Naples, Italy, University of Exeter, UK, University of Michigan, USA, Hebrew University of Jerusalem, Israel, University of Chicago, USA, University of Pennsylvania, USA,

Harvard University, USA, Yale University, USA, University of Warsaw, Poland, University of Pittsburgh, USA, School of Oriental and African Studies (SOAS) University of London, UK, Free University, Berlin, and ELTE University, Hungary participated in the programme.

A few scholars working in the areas of Persian Studies or Medieval Indian History, from University of Delhi, and Jawaharlal Nehru University, New Delhi also attended the summer school.

Renowned experts like Prof. Eva Orthmann and Dr. Ali Langroudi, University of Gottingen, Germany, Prof. Najaf Haider, JNU, New Delhi, Prof. Chandra Shekhar, Delhi University and Dr. Zarina Perween, Director, Telangana State Archives, Hyderabad helped the participants to read Persian records, documents, daily reports of royal courts, empirical seals, Tughras, Farmans etc. They also made the participants to practice the reading of Khatt-e-Shikasta and Nastaliq.

The syllabus of the School included the attending of classes and lectures, reading of Persian documents, group practices, discussions, paper presentations, visits to state archives and libraries and excursions.

Prof. Orthmann conducted the same international school in 2018 in Germany. The programme in MANUU was planned together by Dr. Mohammad Aslam Parvaiz, Vice Chancellor, Prof. Eva Orthmann, Director, Centre for Iranian Studies, Gottingen University and Prof. Chandra Shekhar,

Department of Persian, University of Delhi, who is also

Indian Cultural Counselor to Uzbekistan.

While addressing the inaugural session, Prof. Eva Orthmann said that the archives situated at Telangana have many Persian records of Mughals, Bahmanis, Adilshahis, Qutbshahis and Asafjahis, which inspired the organisers to conduct the summer school in Hyderabad. More than one and half million records are preserved in different archives of Hyderabad, which is the highest in the world.

Dr. Zarina Perween in her speech focused on the importance and preservation of Persian records by the State Archives of Hyderabad. In his presidential remarks, Dr. Aslam Parvaiz said that old records are the first hand information about any society and its culture, or how it existed in the past. But unfortunately many of the records are still unknown to the modern world so we are unaware of the knowledge preserved in them, he said.
